28th May 2021

Dear Parents and Carers

The end of Year 11 and your child's time with us at Westbury is fast approaching the end. The Academy is keen to ensure that the remaining time in school is fun packed with activities to reflect the commitment and hard work since the Academy opened fully from the 8th March.

The timetable for Year 11 activities in the week following the half-term break is as follows.

Monday 7 th June	In school: Science and other exam subject evidence capture
Tuesday 8 th June	Duke of Edinburgh expedition – overnight.
Wednesday 9 th June	(kit list to follow)
Thursday 10 th June	Visit: Newstead Abbey
Friday 11 th June	Trip: Alton Towers

It's essential that your child attends all week. The Science team will be working with your child to secure the best possible grades that will be submitted to the exam board.

Your child has been preparing for the Duke of Edinburgh expedition over recent weeks. This is a prestigious award that will support any applications for employment, further education or training in the future. Please encourage your child to attend and ensure your child has suitable clothing for the weather on each day.

School will be providing specialist equipment for the Duke of Edinburgh expedition, and further information will be sent to you in due course regarding any additional personal items your child will need.

Please find attached three OV4 consent forms that your child will need to return to school on Monday 7th June in order to go on the expedition and the trips to Newstead Abbey and Alton Towers.

I will be in touch with you after half term to confirm the final arrangements for leaving the Academy.

If you have any queries, please do not hesitate to contact me at school.

Yours sincerely

Mr T. Endy
Key Stage Four Phase Leader
